

RÖCKA

DESCRIPTION: Steps **TEXTURE:** Natural stone (Fossil stone)

PALLET OVERVIEW - 48"

PALLET OVERVIEW - 60"

NOTES

Röcka 48" is a double-sided step. Each side has slight natural texture differences. Please take that into consideration when installing them side by side. We recommend keeping the same texture together.

Please note that there is a slight vertical angle on the front and back faces of the step 3/8", from the bottom to the top of the step.

To achieve a natural appearance, product dimensions can vary $\pm 3/16$ " (5 mm) for height and $\pm 1/2$ " (13 mm) for length and width.

*For an authentic look, each color option is composed of a variety of darker & lighter tones. Natural ingredients such as granite are present within the recipe to allow for a range in tones, veining and textures from one stone to another.
